Christian Value

Perseverance and Responsibility

'Cast away from you all the transgressions that you have committed, and make yourselves a new heart and a new spirit!'

Ezekiel Chapter 18 Verse 31

Nature Area Working Party

A reminder that the Nature Area Working Party will be meeting at 6pm tonight.

We would be extremely grateful of your help with clearing weeds from our nature area. This will benefit all of the children in the school as they will be able to use the conservation area for learning outside the classroom. Please wear long trousers, boots and gardening gloves.

After School Clubs

This term we added Pot Luck Club back into our After School club schedule. Unfortunately it has not been popular enough to be viable over the next academic year so we will be moving back to running only one club after school each day. This will be a sports club run by our Sports 4 All coaches. The schedule of clubs will be sent out this week and you will be able to sign up to these on ParentMail for the full term.

Family Picnic and Outdoor Learning

As we were unable to run our traditional races on Sports Day they will now take place at the Family Picnic on 6th July. During the morning the children will be taking part in outdoor learning activities. Parents are welcome to join us for a traditional picnic on the school field from 12:30pm. Please ensure that your child has a packed lunch with them in school in case it is raining in which case the picnic and races will be cancelled. Following the picnic we will ask for the picnic blankets to be moved and we will have our traditional running races which will include audience participation!

Chartwells Tasting Session

Chartwells, our school meals provider will be offering a tasting session for parents on 6th July from 2-3:15pm after the family picnic. This is an opportunity for you to see and sample the food that the children receive for hot school lunches. They will also be handing out menus for next year. If you are interested in hot school meals for your child for next year we would recommend that you come along to this session.

School Photos

We have extended the deadline for returning school photos. We will be sending off the orders on Wednesday so please return photo orders to school by 3:15pm tomorrow (Tuesday 27th June)

Buckinghamshire Family Information Service

The [Buckinghamshire Family Information Service](http://www.bucksfamilyinfo.org) provides FREE quality, impartial and up-to-date information to parents and carers with children aged 0 to 19 years (25 with a disability/additional need). If you are a parent, carer or a prospective parent, it's good to know there's someone you can call on for information and advice to support you. Whatever your child's age or abilities, the BFIS team is available to help. The website includes information for parents/carers about childcare, children's centres, and leisure and recreation. There is also a link to the Buckinghamshire Local Offer. Here you can find a wealth of information about what is available in Buckinghamshire for children and young people aged 0 to 25 with special educational needs and disabilities (SEND).
