## PE and Sport Premium Reporting 2024-2025

The PE and sport premium is government funding provided to primary schools to enhance their physical education (PE) and sports provision. This funding aims to improve the quality and breadth of PE and sport, encouraging healthy, active lifestyles among pupils. Schools use this money to make sustainable improvements to their PE, sport, and physical activity offerings, building capacity within the school and ensuring long-term benefits for all pupils.

On this page, we share about the funding from 2024-2025, how it has been used and the impact. If you have any questions about PE or sports at school, please speak to Mrs Shaw - Headteacher.

### CPD Spending

The Sports Premium Budget aims to improve the provision of physical education and encourage a lifelong love of sport in pupils. Our allocation of this budget focuses significantly on Continuing Professional Development (CPD) Spending. We are privileged to collaborate with Sports 4 All who play a pivotal role in enhancing our staff's skills and the overall PE experience for our pupils. S4A provides tailored sessions that not only engage students but also allow teachers to accompany them. This partnership enables our teachers to gain hands-on experience and acquire new coaching techniques that can be integrated into their teaching practice. Furthermore, the provision of inter school tournaments allows for S4A to upskill their coaches. These tournaments promote essential values of teamwork and sportsmanship.

### Internal Spending

Regarding Internal Spending, we are dedicated to offering a wide array of extra-curricular activities for children across Early Years Foundation Stage (EYFS), Key Stage 1 (KS1), and Key Stage 2 (KS2). The replenishment of existing equipment and resources is continually evaluated to ensure students have access to quality resources.

### Next Steps for 2025/2026

Looking ahead to the 2025/2026 academic year, we aim to refine our approach to CPD by placing a heightened focus on supporting ECT and KS2 staff. We will actively promote inclusive best practices to be adopted widely across the school, ensuring that all pupils have equal access to high-quality extra-curricular activities and competitive sports. Special attention will be given to encouraging girls' participation in sporting activities, thus fostering an inclusive environment.

In summary, the effective utilisation of the PE and Sports Premium Budget will enable our school to enhance the physical education experience for all students while firmly establishing a culture of health, fitness, and inclusivity.
