1. INTRODUCTION

The purpose of this policy is to define the Oxford Diocesan Bucks Schools Trust's (ODBST) commitment to equality in everything that we do.

The ODBST is committed to equality in both employment and education provision. We recognise the diverse nature of our schools and communities, and aim to ensure that pupils, parents, governors, trustees, employees, contractors, partners, clients and those who may potentially join the ODBST family, are treated fairly and with dignity and respect.

The Trust opposes all forms of discrimination and it is our policy and ethos to promote equality to all, irrespective of:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race, including ethnic or national origins, colour and nationality
- Religion or belief, including the lack of belief
- Sex
- Sexual orientation
- Carer responsibilities
- Trade union affiliation
- Domestic circumstances

The trust commits not to discriminate unlawfully, or treat people less favourably, on the grounds of any Protected Characteristics defined by the Equality Act 2010 (and any future amendments to the Act). The trust recognises that it is also unlawful to discriminate by association or perception, e.g. treating a pupil less favourably based on the Protected Characteristics of their parents or other family members. Further definition of Protected Characteristics is detailed in clause 6 below. This policy recognises the four types of unlawful behaviour set out by the Equality Act 2010 and provides these definitions in clause 5.

Every possible step will be taken to ensure individuals are treated fairly and decisions are based on objective criteria. The equality and diversity policy aims to:

- ensure that ODBST fulfils its legal obligations in accordance with the Equality Act (2010);
- value and recognise all stakeholders and enable them to develop and perform to the best of their ability;
- promote good relations between different groups sharing protected characteristics and those who do not;
- support dignity and respect for all, where no form of discrimination, intimidation, bullying or harassment is tolerated;
- advance equality of opportunity between people who share a protected characteristic and those who do not;
- where appropriate, allow positive action to be taken for under-represented groups;
- allow breaches of equality to be investigated and dealt with accordingly as matters of misconduct.

2. SCOPE

The policy and procedure set out in this document applies to all pupils, employees of the ODBST (including those engaged on permanent and fixed-term contracts, part-time and full-time workers, casual workers and apprentices) governors, trustees, agency workers, volunteers and contractors. The Trust also expects all stakeholders and members of the ODBST family, such as parents and business partners, and potential members of the ODBST family, such as job applicants, to abide by the policy.

3. EQUALITY STATEMENT

One of the ODBST's core values is that of inclusivity. At ODBST this means that everyone is accepted and supported, regardless of faith or culture. **We will strive for everyone to be given every opportunity to reach their potential.** We believe everyone is unique and everyone matters.

Many pupils and staff in our schools will come from diverse home backgrounds and our pupils will be at different stages of their own academic and spiritual journey during their time in school. All pupils will receive support, guidance and challenge so that they are motivated, ambitious and courageous individuals who seek to be the best they can be. We embody the experience of an inclusive community, where we share our gifts, where the emphasis is on what we can contribute, rather than on what we might receive and where we give to each according to need.

- The trust will ensure that equal opportunities and the principles of fairness underpin all aspects of policy, procedure, education provision, consultation and decision making.
- The trust is committed to equality in its delivery of education, whether or not the service is directly provided by us or contracted to a third party provider. Senior leaders will monitor this education provision to ensure that students acquire the skills which enable them to be proactive in their behaviour and learning and to become responsible citizens.
- We aim to provide high quality education services, making sure services are easily accessible. We will improve what we do by continuing to consult with staff, students, parents, governors, local communities and other partners about equality issues. We will promote our equal opportunities policy in our contact with parents, staff, governors and external organisations.
- We will make every effort in creating equality of opportunity in order to ensure they are accessible and fair to everyone. Every person has the right to be treated fairly, regardless of any criteria as detailed above
- Where necessary we will implement reasonable adjustments or additional support, to ensure equality of access to an education and suitable learning and working environments.
- Our staff and governors who plan, agree and deliver our education provision will recognise diversity and demonstrate a proactive approach in their day-to-day work. They will ensure that everyone is treated fairly, recognising special education or physical needs and understanding differences. Behaviour will reach our high standards of conduct (staff and students) and the learning environment we provide will be safe and accessible for those studying and working.
- The trust will adhere to statutory legislation and give consideration to other relevant guidance, which aims to make sure that everyone is treated equitably. We will work with other people and organisations to encourage fair treatment of all. We will collect information, which will help us plan and develop services to meet the special needs of all members of the community.
- The trust will not tolerate any form of discriminatory behaviour against members of the trust or local community.
- The trust is committed to ensuring that employees have equal access to recruitment and career opportunities, training, and professional development.

- The trust recognises that the Act extends beyond the protected characteristics of an individual employee and has broader responsibilities to employees and situations that may be covered by the Act. For example, an employee with parental or caring responsibilities for a disabled dependent may have rights under the Act which the trust, as their employer, would need to consider.
- All recruitment will be within the provisions of the Act, and applications will be monitored to report on recruitment activity, in line with the Act.
- We will make every effort in creating equality of opportunity for employees, ensuring these are accessible and fair to all. Where necessary we will implement reasonable adjustments or additional support, to ensure equality of access to the working environment and opportunity to undertake the job role successfully.
- HR policies and procedures will be reviewed regularly to improve, adapt or amend current practices to promote equality of opportunities. All HR and employment policies will be applied consistently and fairly and refer to the provisions of the Equality Act 2010.
- In addition, employees have access to a range of policies which aim to support and encourage flexibility and diversity in our workplaces.
- Employees who are in breach of this policy will be dealt with under the Conduct and Discipline disciplinary policy. Schools will ensure that students are provided with appropriate support to recognise their individual needs. This includes protection under the Act extending the reasonable adjustment duty to require schools to provide auxiliary aids and services to disabled students.
- Protection under the Equality Act is extended to students who are pregnant, have recently given birth or are undergoing gender reassignment.
- All policies relating to the provision of education, the curriculum, behaviour for learning, attendance, exclusion, medical treatment and Child Protection and safeguarding policies should consider the provisions and duties of the Act.
- Across the trust we will ensure that all service providers that are contracted to provide services to students, staff or visitors will comply with Equalities legislation.
- Where services are deemed not to meet these standards, in relation to equal opportunities and fairness, contracts may be terminated.
- Provision will be made within Service Level Agreements between the trust, or an individual academy and service providers or contractors, that will ensure that services are made available, with due regard for fairness and equality.
- Positive action provisions allow the trust to target measures that are designed to alleviate disadvantages experienced by, or to meet the particular needs of, students with particular protected characteristics. Such measures will need to be a proportionate way of achieving the relevant aim.

Trustees have chosen to delegate some of their functions to local governing bodies as set out above.

5. PUBLIC SECTOR EQUALITY DUTY (PSED)

Under the Equality Act 2010 the trust is required to meet the Public Sector Equality Duty (PSED). The Trust is required to have due regard to:

- Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations across all protected characteristics between people who share a protected characteristic and people who do not share it.

In relation to this our Equality Objectives are outlined in Appendix 1.

6. DISCRIMINATION, VICTIMISATION AND HARASSMENT

The ODBST is committed to the avoidance of all forms of discrimination, victimisation and harassment in the workplace. This could take various forms as outlined below.

Direct discrimination occurs when a person treats another less favourably than they treat or would treat others because of a protected characteristic. This could arise at any point in a child's education or at any point in the employee life cycle.

Direct discrimination includes discrimination by perception: i.e. when an individual is treated less favourably because others think they possess one of the protected characteristics even if this isn't actually the case.

Direct discrimination also includes associative discrimination where someone is treated less favourably because they associate with another person who possesses a protected characteristic; e.g. turning down someone for a job because they are known to have caring responsibilities for someone with a disability.

Indirect discrimination may occur if a particular working practice or rule is applied which puts one group of employees, who share a protected characteristic, at a disadvantage- e.g. limiting part-time employees from training opportunities would impact females indirectly as they make up the largest component of part-time workers. Indirect discrimination can only be lawful if there is an objective justification for it and it is a proportionate means of achieving a legitimate aim.

Harassment is defined as occurring when a person engages in unwanted conduct which is related to a relevant protected characteristic, which has the purpose or effect of violating an individual's dignity or creating an environment that is hostile, intimidating, degrading, humiliating or offensive for that individual. Harassment may also arise through perception or association.

Victimisation is where an employee is subject to a detriment because they have made or supported a complaint or grievance under the Equality Act or because they are suspected of doing so.

Positive action is permitted under law and the ODBST may take positive action if it is believed that employees or applicants who share a particular protected characteristic suffer a disadvantage connected to that characteristic.

Academies with a religious character are allowed by specific legislation in the School Standards and Framework Act 1998 to use religious criteria in the appointment of some teaching staff in ex-VC schools that are not sponsored academies and of all teaching staff in ex-VA schools and in all sponsored academies. Also in certain circumstances an 'occupational requirement exception' may arise in respect of a non-teaching post allowing an employer to require employees or applicants to have religious or other particular protected characteristics.

Support is available centrally from the ODBST shared services team and it is expected that the Local Governing Body, headteacher or line manager, will seek their advice in the event of any query relating to discrimination, victimisation or harassment from the school improvement team for cases relating to children or the HR team for cases relating to employment matters.

7. PROTECTED CHARACTERISTICS

ODBST is committed to the fair and equal treatment of all and will not tolerate discrimination on the basis of any of the following protected characteristics.

Age: The ODBST recognises the positive contribution individuals from all age groups can bring to the organisation and members of the ODBST family will be treated fairly regardless of age. Employees will also not be compulsorily retired because of their age.

Disability: a person is disabled if they have a physical or mental impairment which has a substantial, long-term adverse effect on their ability to carry out normal day to day activities. The ODBST commits that members of the ODBST family will not be directly or indirectly discriminated against on the grounds of a disability and that those who are disabled are treated fairly with any reasonable adjustments arising as a consequence of the disability being addressed.

The ODBST will:

- Take prompt action to identify and implement reasonable adjustments to ensure, wherever possible, disabled people can access, progress and remain in employment or at the school;
- Access specialist support and advice where required;
- Ensure action is taken against those who discriminate against disabled people;
- Take all reasonable steps to ensure employees and governors understand their responsibilities under the Equality Act in relation to disabled workers and pupils.

Any information disclosed by an individual to the ODBST about a disability will be treated sensitively and confidentially.

Gender reassignment: people who are proposing to undergo, are undergoing, or have undergone a process (or part of a process) to reassign their gender have the protected characteristic of gender reassignment. The ODBST commit that any individual will not be discriminated against on account of this characteristic, e.g. absence from work due to a gender reassignment process will be treated in the same manner as absence for illness or injury.

Marriage or civil partnership: Members of the ODBST family will be treated fairly and equally to all others regardless of their marital status.

Pregnancy and maternity: individuals who are pregnant or on maternity leave are protected from discrimination during the period of pregnancy or statutory maternity leave to which they are entitled. Additional statutory rights are also applicable to a pregnant employee such as time off for antenatal care and unfair dismissal protection.

Race: a racial group is a group of people who have or share a colour, nationality and ethnic or national origins. Members of the ODBST family will not be treated less favourably on account of these characteristics.

Religion or belief: Members of the ODBST will not be discriminated against on the basis of their religion or beliefs and will be respectful of those of other religions or their own. This protection also applies to those who do not follow a religion.

Sexual orientation: Members of the ODBST family will be treated fairly regardless of their sexual orientation and the dignity of all should be respected. Care should be taken to avoid situations where a person feels excluded or unwelcome because of their sexual orientation and line managers, teachers and leaders should be aware that harassment that takes the form of a general culture, e.g. the telling of homophobic jokes, should not be tolerated.

Sex: males and females will not be treated less favourably on the basis of their gender.

Members of the ODBST family includes all pupils, employees of the ODBST (including those engaged on permanent and fixed-term contracts, part-time and full-time workers, casual workers and apprentices) governors, trustees, agency workers, contractors, parents, business partners, job applicants and potential members of the ODBST family such as prospective families.

8. COMPLAINTS

The trust will treat seriously all complaints of unlawful (or potentially unlawful) discrimination. Any complaints will be investigated in accordance with the grievance, conduct and discipline or complaints policy, whichever is appropriate.

9. MONITORING AND EVALUATION

The Local Governing Body of each ODBST school should regularly monitor the effectiveness of this policy through a variety of means including:

- all applicants for posts should be asked to complete a monitoring form to enable monitoring of recruitment decisions against the principles of this policy;
- all applicants for posts should be invited to indicate whether they have any special requirements or require reasonable adjustments to enable them to attend an interview or carry out the duties of the post. Responses to this question and appropriate actions taken by a school to accommodate people with disabilities will also be monitored as part of this process;
- the incidence of complaints under the procedures and any other aspect of this policy will also be monitored.

The ODBST's Chief Executive and Director of HR will periodically report to the ODBST Finance, Resources, Audit, Pay and Personnel committee (FRAPP) the details of the operation of the equality and diversity policy across the Trust.

Approved October 2022

The ODBST FRAPP committee will monitor the outcomes and impact of this policy on an annual basis and report accordingly to the ODBST Board.

The headteacher/ Chair of Governors will be responsible for ensuring that any such information obtained by the school is stored in an appropriate and confidential format in accordance with ODBST's Data Protection Policy and the Data Protection Act 2018.

10. EQUALITY IN EMPLOYMENT

This policy covers all aspects of the employment relationship including selection for employment; promotion; learning and development; pay and benefits; employment practices, performance management and selection for redundancy.

In recruiting staff, the ODBST will ensure that its practices do not discriminate against candidates in ways which are unrelated to their ability to carry out the role.

All opportunities for employees to develop their skills and expertise will be carried out in a fair manner.

The pay of staff within ODBST will be based upon their skills and abilities, and linked to their job role, and not based upon any particular characteristic.

The ODBST is committed to ensuring relevant training is provided to employees in respect of the provisions of the Equality Act and any subsequent revisions to it.

All employment practices, including selection for redundancy where applicable, will be operated in a fair and non-discriminatory manner.

11. EQUALITY OF PUPIL PROVISION

The Trust will support its school to ensure that pupils are provided with appropriate support to recognise their individual needs. This includes protection under the Act extending the reasonable adjustment duty to require schools to provide auxiliary aids and services to disabled students.

Protection under the Equality Act is extended to pupils who are pregnant, have recently given birth or are undergoing gender reassignment.

All ODBST policies relating to the provision of education, the curriculum, behaviour for learning, attendance, exclusion, medical treatment and child protection and safeguarding consider the provisions and duties of the Act.

12. EQUALITY OBLIGATIONS OF CONTRACTORS AND SERVICE PROVIDERS

Across the Trust we will ensure that all service providers that are contracted to provide services to the Trust will comply with Equalities legislation. Where services are deemed not to meet these standards, in relation to equal opportunities and fairness, contracts may be terminated. Provision will be made within Service Level Agreements between the trust, or an individual school and service providers or contractors, that will ensure that services are made available, with due regard for fairness and equality.

Approved October 2022

11. RAISING CONCERNS

If any employee has concerns about conduct or behaviour in the workplace pertaining to the equality and diversity policy they should speak to their line manager at the earliest opportunity. In the event that the concern relates to the line manager, an employee should speak to the headteacher (or for shared services staff, their line manager's manager) in the first instance.

The trust will treat seriously all complaints of unlawful (or potentially unlawful) discrimination. Any complaints will be investigated in accordance with the grievance or complaints policy, whichever is appropriate.

Any employee found to be in breach of this procedure as a result of behaviour, conduct or comments towards another employee or stakeholder may be subject to disciplinary proceedings.

Appendix 2 – ODBST School Equality Statement

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations between people who share a protected characteristic and people who do not share it

We welcome our duties to eliminate discrimination, advance equality of opportunity and foster good relations (under the Equality Act 2010) and to promote community cohesion (under the Education and Inspections Act 2006).

At the ODBST we aim to ensure that everyone is treated fairly and respectfully. We recognise that people have different needs, and we understand that treating people equally does not always involve treating them the same. We aim to make sure that no-one experiences less favourable treatment or discrimination because of their age, a disability, their ethnicity, colour or national origin, their gender, their gender identity (they have reassigned or plan to reassign their gender), their marital or civil partnership status, their being pregnant or having recently had a baby, their religion or belief or their sexual identity and orientation. We recognise that some individuals need extra support at school or in the workplace and endeavour to provide reasonable adjustments. We try to make sure that people from different groups are consulted and are involved in our decisions.

Appendix 3 – ODBST Equalities Reporting

We are committed to working for equality for all to meet our duties under the Equality Act 2010. The information provided here aims to demonstrate that we give careful consideration to equality issues in everything that we do. 'Due regard' ensures that we work towards eliminating discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act.

We eliminate discrimination by:

- Regularly reviewing our policies to ensure they remain fit for purpose and promote equality;
- Reporting and responding to incidents of alleged discrimination;
- Regularly monitoring our schools to ensure that the curriculum meets the needs of our pupils and that it promotes respect for diversity and challenges negative stereotyping;
- Ensuring high quality teaching across the Trust enabling children to reach their potential and all pupils are given equal entitlement to success;
- Listening to and monitoring views and experiences of pupils and adults to evaluate the effectiveness of our policies and procedures;
- Ensuring employment decisions are based on objective non-discriminatory criteria;
- Monitoring workforce equality data against local demographics.

We advance equality of opportunity by:

- Using the information we gather to review our current status and determine future direction;
- Ensuring participation of stakeholders in decision making;
- Listening to pupils, parents/carers and staff.
- Observing positive equalities practice in staff recruitment, development and all employment practices.

We foster good relations by:

- Ensuring that equality and diversity are embedded in our vision and values;
- Developing strong links between our schools;
- Listening to our staff and stakeholders;
- Encouraging schools to develop positive links with their surrounding villages and local community.

Appendix 4 – Equality Information and Objectives guidance for schools

Equality information and objectives

Taken from the DfE's statutory policies for schools, each school is required to have an equality information statement and objectives:

Review frequency: Every four years and publish information annually

Approval: Governing body free to delegate to a committee of the governing body, an individual governor or the headteacher.

Legislation: The Equality Act 2010 and The Equality Act 2010 (Specific Duties) Regulations 2011.

Under specific duties, governing bodies, local authorities and proprietors are required to draw up and publish equality objectives every four years and annually publish information demonstrating how they are meeting the aims of the general public sector equality duty.

DfE Guidance

Equality objectives may arise from analysis schools have carried out on their published data or other information, where they have identified an area where there is potential for improvement on equalities, or they may – for example - be set in anticipation of a change in local circumstances. Some examples might be:

- to increase participation by black pupils in after school activities;
- to narrow the gap in performance of disabled pupils;
- to increase understanding between religious groups;
- to reduce the number of homophobic incidents;
- to raise attainment in English for boys;
- to encourage girls to consider non-stereotyped career options;
- to anticipate the needs of incoming pupils from a new group, such as traveller children.

Options

- Delegate responsibility to each individual school
- Implement central equality objectives
- Implement a mixture of central and local objectives

Any objectives implemented must be measurable and reportable on an annual basis

Examples

- To ensure that lessons provide opportunities for all pupils to achieve
- To ensure that all children take part in physical activities
- School visits are accessible to all children irrespective of attainment or impairment.
- School ensures that the needs of all individuals are met
- To provide Information that is accessible and easily understood by all
- To maintain our non-discriminatory approach to the recruitment, employment and day to day management of staff, including making reasonable adjustments to working conditions for disabled staff e.g. car parking, equipment, rooming, timetable etc.
- To support the progress of students with protected characteristics by providing;
 - I. Disabled access arrangements
 - II. Adapted toilet facilities
 - III. Adapted timetables

IV. Appropriate equipment as budgets allow

V. Counselling as required

- To ensure that all groups of students perform in line with, or above, national expectations according to their individual skills, aptitude and ability.
- To narrow the gap between girls and boys in terms of outcomes
- To exceed national performance targets in all areas
- To increase understanding between different religious groups

Appendix 5 – EQUALITY OBJECTIVES FOR GREAT HORWOOD SCHOOL 2021-2025

1. To provide an environment that welcomes, protects and respects diversity ensuring Great Horwood School is inclusive to all children regardless of ethnic group.
2. Ensure that all learners have equal access to a rich, broad, balanced and relevant curriculum and enrichment activities.
